CELEBRATING **100** YEARS

MDVA OVERVIEW

Lindsay Reames Vice President of Sustainability & External Relations Maryland & Virginia is owned and operated by over 900 dairy farm families from New York to Georgia, our members have upheld a passion for providing safe and nourishing dairy products for **100 years**.

Our mission is to be a sustainable cooperative that maximizes value to our farmerowners, employees and customers.

Our farmers rise and shine each morning because they are passionate about nourishing the world with fresh, wholesome dairy goodness. They are proud of what they do, and they are proud to do it the right way.
