When seeking legal services and resource information first check the “States/Counties” or “States/Jurisdiction” column, locating where the attorney practices. Under “Practice Areas” you will find those areas of law which the attorney regularly engages. By contacting an individual on this list, it is understood that you are interested in learning more about the services available or making an appointment for a consultation and that until an attorney-client relationship has been created through a legal service agreement, no representation by the firm or individual attorney is established.

MISSION STATEMENT

The mission of the Maryland State Bar Association Agriculture Law Section shall be to serve the interests of the agricultural and legal communities in Maryland. The Section shall strive:

- to serve as a resource and supportive assembly of legal professionals to those involved in agricultural affairs;
- to improve the knowledge and professional abilities of legal professionals through continuing legal education programs, industry-based education programs, publications, networking, and other means;
- to engage in the practice of law as it relates to agricultural matters;
- to review and research applicable laws and proposed legislation which may impact the industry as a whole;
- to monitor developments in the various legal fields that are applicable to the broad spectrum of agriculture, agribusiness, and aquaculture in Maryland;
- to disseminate information about current developments in this area of the law; and
- in general, to assist in the improvement of the practice of law in this area.
